LINES Pro Sport/Activities 2018

Exercise is a key component of a healthy mind “*work hard play hard*”. Since 2009 LINES has offered pro sports/activities for students additional to its academic program.

The goal of the LINES pro sport/activities program is to provide quality instruction within an environment that is fun and exciting. The coaches will help players of all abilities improve their technique, increase self- confidence and enjoy the game. We teach beginners the basics or allow experienced students the chance to fine- tune their technique.

These activities are done with the best professional coaches from highly recognised organisations. All coaches are qualified and are supervised by our own staff.

- Football (Chelsea FC: Downe House & Arsenal FC: Queenswood)
- Tennis (Downe House, Queenswood & Valbonne)
- Golf (Downe House)
- Horse Riding (Queenswood)
- Music (Downe House)

The LINES professional programs are promised to be delivered at the highest standard. Excellence and quality are key.

- Students have up to 8 sessions per week block of expert instruction
- Each session is with qualified and professional coaches
- Each session is 45 minutes
- Students can choose on a weekly basis
- Equipment is provided if required

Pro-sport sessions take place on site during the week. Golf and Horse Riding take place offsite; transport is provided and included in the weekly fee.

As we have a limited number of places available, it is a good idea to reserve your space soon to ensure participation. Allocation of places will be a first come first served basis. **Please note that the sessions will only be guaranteed with a minimum of 4 participants.**

LINES pro sport/activity is an additional fee at LINES centres.

Please note that students will be required to bring their own clothing and footwear for Football (NB: Shin Guards), Golf & Tennis. It is important that items of clothing and footwear are appropriate for the activity. Equipment is provided if required for Golf, Horse Riding & Music. If you require any further information, please contact the main office on office@lines.ac

REMEMBER: if you are opting to do a pro sport/activity program it is important that you state clearly the level to which you base yourself. If you are at an advanced level please provide a little information as to your background. This will enable LINES to ensure that your needs are met and that the service you expect can be delivered.
